E. Arnoldi, Esq., March 10th, 1914

Toronto.

Dear Mr. Arnoldi:

I enclose a letter which I have just received from Mr. Mawson. You may remember perhaps that he gave a series of lectures here a year ago on Landscape Architecture. He is, I believe, the most outstanding landscape architect of England, has done work at the Hague for Mr. Carnegie on his new temple of peace, and now, as you see, is to remodel Athens on the recommendation of the King and Queen of Greece. Whether you would have any work for which he might be employed or not I do not know, but I have no doubt as to his genius as a Landscape Architect. With kind regards, I am,

Yours sincerely,

President.
